

Golden Agers Rock!

CELEBRATING SENIORS MAKING THE BEST OF THE REST OF THEIR LIVES

VOLUME 5, ISSUE 22

MAY 28, 2021

So Many Choices...

WOW! June is full of all KINDS of fun things to celebrate! Where shall we begin? **National Polka Week?** Our oldest daughter, Elizabeth, has a good friend who is Polish and therefore there was LOTS of polka music at her wedding. According to Elizabeth—best reception EVER!

What about **Surf Music Month?** My parents grew up in northern Alabama, a fair distance from any shore but the Tennessee and Coosa Rivers, but they always listened to a TON of beach music. I think I still know all the words to every song on the album, “Jan & Dean Take Linda Surfing”.

Beautiful in Your Skin Month? One Sunday morning after an extremely hot week at VBS, I was welcoming some new members into the church while dressed as a Panda (after all, that was the theme & I was on the stage & driving the golf cart as a panda all week). A member commented how comfortable I was in my skin, no matter what skin I was in. Yes, I also played the organ that morning dressed as a panda. Now, he said nothing about me being *beautiful* in that skin, but being comfortable is close enough for me.
