Get Your Kazoo Ready!

It's true. ANYBODY can play the kazoo! The kazoo was invented around 1840 in Macon, Georgia. Here are some more fun facts:

- ☺ Presented to the world at the Georgia State Fair in 1852
- ☺ First called the "Down South Submarine"
- ☺ The *Original American Kazoo Company* opened in 1916 in Eden, New York.
- ☺ By 1994 over 1.5 million kazoos were sold each year
- ☺ There is a movement to get the kazoo named at America's Official Instrument
- ☺ The *Kazoo Factory & Museum* opened in 2010 in Beaufort, South Carolina
- ☺ You can join the International Kazoo Players Association

Now on to "important" stuff...

WEEKLY GIGGLES

If you're happy and you know it...

Since today's edition features a "musical instrument", I thought I'd share a couple of musical cartoons.
