By-Laws Updates

If adopted, effective date November 12, 2023: Youth Committee, section 6, page 17 add as item 11

There shall be a Youth Ministry Committee whose responsibility is to assist the Youth & Young Adult Director in planning and implementing programming for Club 345, (3rd-5th grades), Junior Youth (grades 6th-8th), and Senior Youth (grades 9th-12th) & young adults. Youth and young adult activities may include, but not limited to, Youth Missions, Youth Week, seasonal retreats, adopt a college student, and young adult small group activities.

If adopted, these will take effect January 1, 2024:

Section 9: St. Peter's Endowment Board Membership & Responsibilities, page 19, item 1

Last sentence change: instead of "The Church Council of the Congregation" to be "The Stewardship and Finance Committee shall nominate two (2) persons for each seat expiring and the Church Council will approve each candidate to be elected at the Annual Congregational Meeting."

Section 10: St. Peter's Cemetery Endowment Board Membership & Responsibilities, page 21, item 1

The sentence beginning "Upon adoption of this resolution," will be changed to "Upon adoption of this resolution by the Congregation, Church Council will appoint seven (7) members to the Cemetery Endowment Board from a list provided by the Cemetery Committee;" and not use the words "from a slate of the cemetery committee." The next sentence beginning, "Thereafter...will now read "Thereafter, ...the Church Council will approve (not appoint) each candidate to be elected at the Annual Congregational Meeting to serve a term of five (5) years."

Page 22, Item 2: Last sentence stating "In the event of a vacancy on the Cemetery Endowment Board, the Church Council shall appoint" will change the rest of the sentence to read "a member to fill the vacancy until the next Annual Meeting of the Congregation, at which time the Congregation shall elect a member to fulfill the term of the vacancy." The words "from the slate of the cemetery committee, a member to fill the vacancy" will be deleted.
