Called Congregational Meeting

The only business of this meeting is to vote on ratifying the Carolinas Mission Region article 7.02. this change is in regard to the number of lay delegates each congregation may send. Currently the number is based on the number of baptized members of a congregation. The change reflects that every congregation may send two delegates. This will enable all congregations to have an equal voice & vote. [Current article and proposed change can be found in the June Proclaimer on our website.](#)
