HELP NEEDED

After many years of faithful service, our team that used to straighten the pews each week has retired from that service. This involves making sure that all pew racks have a spare offering envelope, a guest registration card, scribble sheets for little ones, pens/pencils, and a note to parents of small children (I’m sure I’m forgetting something, but, you get the idea). It seems like a small thing, but it’s very important. If you are interested in helping with this project on a weekly or monthly rotation, please let me know in the office and we’ll hook you up with the necessary materials. THANK YOU!!
