Celebrating Seniors, Enjoying Life & Laughter

VOLUME 9, ISSUE 12

MARCH 21, 2025

## Food On A Stick Day

This is a food holiday that lets you use your creative talents. The possibilities are endless! Foods that come on a stick are fun and easy to eat. From popsicles to corn dogs, food on a stick is one of the world's great inventions. Fresh fruit kabobs and skewers of grilled veggies & meat are both summer favorites.

While Jerry Richey is still our resident Corn Dog King, our dearly departed Sharon James was the queen of the Cake Pop! Hers were legendary! Most folks don't know that when Sharon was alive, she made Cake Pops for all of the kids that came to our annual Easter Egg Hunt. Members & guests were treated to her special pops as a way to celebrate the day. I'll bet you also don't know that her husband, Larry, now continues the tradition, making dozens of Cake Pops for our kids every year since she passed!

Whether it is fresh & healthy or breaded and deep-fried, there are many choices when you put food on a stick.
