Jokes for the Week

- What do you call an 80-year-old cheerleader? Old Yeller
- Gas is so high the mailman is working from home. He called me yesterday to read my bills to me.
- You know you’re getting old when you need a buggy at the pharmacy.
- Here should be a calorie refund for things that didn’t taste as good as you expected.
- I never thought I’d be the type of person who would get up early in the morning to exercise. I was right.
- I might wake up early & go running. I also might wake up & win the lottery. The odds are about the same.

- I read recipes the same way I read science fiction. I get to the end and think, “well, that’s not going to happen!”
- I just bought a head of lettuce. Should I throw it away now or wait two week like I usually do?
- Sometimes it takes me all day to get nothing done.
- Don’t worry about getting older. You’re still going to do dumb stuff, only slower.
- Today I will be as useless as the “g” in lasagna.
- Some days I amaze myself. Other days I put my keys in the fridge.

Have a great week & call me if you need a ride to church!
