## **DO WE HAVE YOUR EMAIL ADDRESS?**

Obviously, if you received this, then we have **yours**, but we have members that use email occasionally, but, for whatever reason, have never shared their email address with the church. Well, now's the time! If you know someone who falls in this category, please encourage them to email me here at the office (address below) and let me put them on the list. Just as we can't pray for you unless we know you're in need, we can't stay connected with you through the internet unless we have your email address. THANKS!!

## **IS THIS YOUR FIRST TIME BEING HOMEBOUND?**

We have quite a list of members who are homebound like this **all the time!** Since we're all getting a taste of what that's like, let's try to think of things we, **as individuals**, can do to make their lives more pleasant. See page 2 for a few suggestions and to see what some of our members are already doing to be the hands and feet of Jesus.

## **WELCOME GOLDEN AGERS**

Some of our Golden Agers are **ALWAYS** homebound and get a packet of fun from us weekly. This week I am printing the E-Blast and including it in their packets. So, welcome homebound Golden Agers. You are loved!

## BORED ALREADY? (what's that like?)

If you are at home with nothing to do, there are still ways to be the “hands and feet of Jesus”. For example:

- **Volunteer** to run to the grocery or pharmacy for one of our senior or always homebound members.
- **Cook & deliver** meals to sick members.
- **Call** one of our always homebound or senior members.
- **Send cards** to our always homebound or senior members. Most of the addresses are in our church directory & I'm attaching a mailing list for the rest.

## HAVE YOU SUBSCRIBED TO OUR YouTube PAGE?

Be sure to tune into our YouTube channel to get the latest announcements and worship services. If you subscribe to our channel, you'll be notified when something new is added. We have 103 subscribers as of 4 pm today. Not bad for a week old page.

When my heart is **OVERWHELMED**,  
lead me to the **ROCK**  
that is **HIGHER** than I.

~ Psalm 61:2

## What are St. Peter's Groups Doing to be the Hands and Feet of Jesus?

**The Busters Group** purchased pizza from Marco's (a locally-owned business) to feed the medical staff in the Emergency Department of Lexington Medical Center. (WOW—they helped two groups with that one gesture.)

**Bobbi Buff & the Service Committee** took the N-95 masks out of the flood buckets & donated them to the Lexington Medical Center office at Saluda Pointe (at I-20 and Hwy 378 behind Chick-Fil-A) where they are conducting COVID-19 tests on local residents.

**Thanks to both of these groups for seeing a need and meeting it!!**

*If your committee or Sunday School class is doing something, please share!*

## CHURCH DIRECTORY?

Do you need a church directory? If so, please call or email me and I'll get one in the mail to you (or put it on the breezeway for easy pick-up.)
