

GOLDEN AGERS

Celebrating Seniors, Enjoying Life & Laughter

VOLUME 10, ISSUE 1

JANUARY 2, 2026

Welcome to 2026!

I can't believe this is the beginning of my 10th year of creating these goofy newsletters. It started off as a one-page note that went along with crossword puzzles. The answers were sent the next week since Ann Clements told me she cheats if I sent them at the same time. Some of these folks are a little crazy, but so am I, so it's all fun!

- She made a charcuterie nativity scene. I just brought Pringles.
- She is labeling presents in cursive calligraphy. I just wrote *kid* on a box and kept it pushing.
- Well, of course her tree has a theme. Mine has bald spots all over it.
- You know her Elf on the Shelf has a TikTok account. Ours flew behind the couch last year and never came back.
- Well, she wrapped gifts with velvet ribbon. I just used a birthday bag and crossed out Happy Birthday.
- Of course she bought personalized stockings from Etsy. Mine are the same ones from 2009 that say ***Let It Snow*** but the L fell off. Different tax brackets.
