

# Golden Agers Rock!

CELEBRATING SENIORS MAKING THE BEST OF THE REST OF THEIR LIVES

VOLUME 5, ISSUE 5

JANUARY 29, 2021

## February? Already?

February in South Carolina. There's nothing quite like it! We could have snow one week and 80 degrees the next. We never know whether to wear a parka or a bikini. I don't know about you, but I'm fairly certain I won't be wearing either. I don't own a parka and my bikini days are long behind me.

For the new folks, this "newsletter" has very little, if anything, that is actually news worthy as I'm certain most, if not all of you, are getting all of the real news you can stand. So, in light of that, there will only be FUN things that matter barely, if at all, included here! So, from one "Spunky Old Broad" to another, kick back, fix a cup of coffee or a glass of wine (no judgement here) and read all of the "important" stuff going on in the "Wild World of Carol". It's a fun-only kind of place and I don't want you to miss anything! And before you ask, no, to my knowledge I was not dropped on my head as a child, although there are those that might argue that point.

### Now on to "important" stuff...
