MORE KEY PADS COMING!

For added security, the Safety Committee would like to add three new key pads. One to the Gathering Room double doors, one on the PLC main entrance (under the covered drive), and one by the Nursery door (for choir members). The cost for these is approximately \$9,800. Of this, we have already collected \$9,244. If you are interested in helping with this project, please write "Safety" on your envelope or on the memo line of your check. Call the office with questions. THANK YOU!
