## Get Ready for Silly Sayings Day

Silly Sayings Day—sounds like a day right up my alley!! My kids will be the first to tell you, I LOVE some silly sayings & the signs that go with them. I guess I get it from my dad—the king of the corn. I’m not sure who started this wonderful day, but it takes place each year on October 13th. With all of the junk & the grumpy people in the world right now, we all need some silly sayings in our lives & I know lots of them, so, hang on...here we go!

- Whoever said, “out of sight, out of mind” never had a spider disappear in their bedroom...or a lizard disappear in the office.
- My bed is a magical place where I suddenly remember everything I forgot to do.
- If one door closes & another door opens, your house is haunted.
- If you wear cowboy clothes, are you ranch dressing?
- Singing in the shower is all fun & games until you get shampoo in your mouth. Then it becomes a soap opera.
- He has Van Gogh’s ear for music.
- If a turtle doesn’t have a shell, is it naked or homeless?
- When people tell me “you’re going to regret that in the morning,” I sleep until noon because I’m a problem solver.
- If you’re hotter than me, then that means I’m cooler than you.
- You can stop driving me crazy. I can walk from here.
- Normal is just a setting on my washing machine.
- Silence is golden, unless you have kids, then silence is just plain suspicious.
- Maturity is knowing when & where to be immature.
- What if there were no hypothetical situations?
- Artificial Intelligence usually beats real stupidity.
- Apathy is the world’s fastest growing disease. But who cares.
- Honesty is the best policy. But insanity is a better defense.
- I know the voices in my head aren’t real, but sometimes they have really great ideas.
- If you can’t convince them, confuse them.

- I wish I had the wisdom of a 90 year old, the body of a 20 year old & the energy of a 3 year old.
- I may not have lost all of my marbles yet, but there's a small hole in the bag somewhere.
- It's funny how nobody notices all the good things you do until you don't do them.
- If you ever get an email about pork, ham, salt & preservatives, don't open it. It's spam.
- It's really complicated to make something simple, but very simple to make something complicated.
- Common sense is a lot like deodorant, those who need it the most never use it.
- Sometimes I pretend to be normal, but it gets boring so I go back to being myself.
- To succeed in life, you need 3 things: a wishbone, a backbone, & a funny bone.
