## ***Things That Made Me Laugh This Week***

- What do you call a reluctant potato? A hesitater.
- I raise chickens. I am literally a chicken tender.
- Geology rocks but geography is where it's at.
- Some people age like a fine wine. I aged like milk. I got sour & chunky.
- This too shall pass. It might pass like a kidney stone, but it will pass.
- One minute we're young & fun...the next we're turning down the radio to see better.
- I'm not saying let's go kill all the stupid people, I'm just saying let's remove all the warning labels & let the problem sort itself out.
- If Eve doomed the entire human race for one apple, what would she do for a Klondike Bar?
- I am not saying I'm Wonder Woman, I'm just saying no one has ever seen the two of us in the same room.
- Somebody is out there somewhere thinking of you and the impact you have made in their life. It's not me. I think you're an idiot.
- What happens if you get scared half to death twice?
- Frog parking only. All others will be toad.
- I had a lot of stuff to do today. Now I have a lot of stuff to do tomorrow.
- Never in the history of calm down has anyone calmed down by being told to calm down.
