

Golden Agers Rock!

CELEBRATING SENIORS MAKING THE BEST OF THE REST OF THEIR LIVES

VOLUME 6, ISSUE 1

JANUARY 14, 2022

Better Late than Never?

So sorry I missed last week's newsletter. There were tons of "catch up" things to be done after Christmas. Please forgive me. I'll try not to let that happen again.

Since I missed last week, I'm going to do a little "catch up" of "holidays" this week, so bear with me while I "get 'er done".

Ok, that catches us to this week, so now that you've seen what you missed, let's see what's coming up for next week...or is it this week? I guess it depends on how you look at it.

Local Quilt Shop Day

All of these days sound like fun—some more fun than others. You know that my brain works a little differently sometimes, so I have a few questions about some of these. For example:

National Mocktail Week How do you celebrate that? Aren't mocktails just drinks without alcohol in them? Don't we pretty much do that **every day**? So what makes this week any different from any other week?

National Clean Off Your Desk Day In a perfect world I would do this every day, but that's not real life around here. It would be nice to accomplish this once in a while. My goal for 2022.

Learn Your Name in Morse Code Why? If I'm in trouble and could only use Morse Code, don't you think the old SOS would be the thing to use? Why would I send my name as the only message?

Poetry at Work Day I can hear it now, "There's a call for you. Please grab line two." I think my whacky creativity would get me in trouble with this.

Kiss a Ginger Day That just sounds like an accident waiting to happen.

World Snow Day What happens if it doesn't snow? Is it cancelled? Is there a make-up day? Does it come out of spring break?

Appreciate a Dragon Day Are there dragons in Lexington? If so, how have I never run into one before? I really need to get out more.

Cable Car Day Is that still a thing outside of San Francisco? Can you picture cable cars on Columbia Ave? Or on 378? How cool would that be?!

National Bootleggers Day This one sounds interesting. I actually know some of these guys. They're fun to hang out with but don't let them put boxes in your trunk.

Camcorder Day Do they still make those? If so, why?

Cheesy Socks Day Are those funny socks or stinky socks?

Answer Your Cat's Question Day We have a black cat that talks but his only word is "mama" and he sounds like some sort of demon when he says it. Luckily he only uses it when he's hungry...after dark. It's creepy.

Have a great week & call if you need anything!
