

April—the Yellow Month

Is it just me or does it seem like we're flying through 2022? I know time flies when you're having fun, but are we **having** fun?? Some of it is fun and some is just the same stuff, different day. Maybe it's the winter blahs, or this awful pollen that's caused this lovely sinus infection. Whatever the case, I'm ready to slow down a little and smell the iris. I'm also ready for the yellow clouds of pollen to be gone! Maybe next week.
