Spunky Old BROADS Month

This is celebrated in February & since we have had so many other things going on, I have not shared & celebrated the **many** Spunky Old BROADS (SOBs) in my life.

We can start at the very beginning with my great grandmother, Eula Mae Foster Carroll. If ever there was a woman that fit this description, it was her! Before I knew it was a “thing”, Eula or Mama Carroll as we all called her, was the first true SOB I had ever been around! She would invite us to stay with her saying, “we’ll get up when we want to. We’ll go to bed when we want to. And if we want ice cream for dinner, that’s what we’ll have.” She was also famous for her final words as we left, “be careless!” She rocked on the piano like a wild woman, but also made dresses for every bride & debutante in town.

Another wonderful SOB in my life was out sweet Connie Lindler. What a mess! She stopped by the office often. When asked what she needed, she would always say she was here “just to annoy y’all”. I always replied, “bring it on!” We had such fun!

I remember one day she had a more serious look on her face. She wanted to know “who decides what happens to my memorial money?” I politely replied,

“you’re not dead. You ain’t got no memorial money.” She grinned & said she would be some day, to which I said with a smile, “oh, so now you’re assuming folks will give money.” She laughed and assured me that they would. She also said that she wanted to decide where the money was spent. “Get me the form,” she demanded with a laugh. I did as I was told.

I know it sounds harsh, but that’s the kind of relationship we had. I think she enjoyed the crazy banter of one Spunky Broad to another. There was **always** laughter when Ms. Connie was around. I miss that.

P.S. She wanted her money used for an electronic sign. We’re working on it.

Now for the important stuff.
