We had major sound issues last Sunday in both the Sanctuary AND the PLC so we don't have a worship service on YouTube for July 5th. We are working this week to remedy the problem.

JOIN US BACK IN THE BUILDING!

Sunday morning at 8:30 am in the Sanctuary
Sunday morning at 11:00 in the Parish Life Center

Our pews are marked off and chairs are spread out in preparation for your visit. Sunday we will again be in Setting One in the LBW complete with a celebration of Holy Communion.

Reservations are NOT required as we have plenty of seats. We will, however, be keeping track of who is here for contact tracing in case there is an issue.

SEE YOU SUNDAY!

Worship This Sunday, July 12th

We have had in-person worship for the past three weeks and it has been a wonderful success! We have taken temperatures, we had multiple hand sanitizing stations, we did not pass the offering plate, we have extra masks for those without, and we have kept an attendance list should any problems arise. We have **plenty** of room at both services for others who would like to join us.

At 25% capacity in the Sanctuary, we can accommodate 75 folks. We had 41 in attendance on June 21st and 26 in attendance on June 28th.

At 25% capacity in the Parish Life Center, we can accommodate 125 folks. We had 35 in attendance on June 21st and 44 in attendance on June 28th.

We certainly understand if you are not comfortable coming back to worship and we would encourage you not to come if you are not feeling well or have been exposed in any way.

This week the 8:30 service will meet in the Nave & the 11:00 service will meet in the PLC (believe it or not, there are those who actually prefer to meet in the PLC since there is lots of room to spread out comfortably). Using two different meeting places gives us plenty of room to spread out and keeps the cleaning between services down to a minimum.

Join us this week for Holy Communion!

July/August Upper Room Devotions

We have copies of large & small print on the breezeway at the office. Call Carol @ 803-360-7137 if you need assistance getting in after hours.

YES, WE'RE STILL ON YOUTUBE

We are sorry that we don't have the bandwidth to livestream our services, but Carol is getting them edited and put on our YouTube channel as soon as possible on Sunday afternoons. Being a traditional congregation, we never imagined we would need to have Internet worship capabilities and it's very difficult to get a Wi-Fi signal through stone. Thanks for understanding.

SCHOOL SUPPLIES

The school district may not have everything figured out as to the HOW of teaching, but they know what supplies they will need. Please check the [July Proclaimer on our website](#) for a supply list or designate funds to "school supplies" and we'll do the shopping for you. **THANK YOU!!**

Thank you for your
offerings!
