

# GOLDEN AGERS

Celebrating Seniors, Enjoying Life & Laughter

VOLUME 9, ISSUE 1

JANUARY 3, 2025

## Hello 2025!

It's great to be alive in 2025! Every year should have a motto, so I'm choosing this one! One of my other mottos in life is something we are celebrating this week. I often say, "if we're going to laugh about it someday, let's just do it today." I like to see the fun in most any situation. It has been said I put the "fun" in dysfunctional. I think life is too short to be serious & sad all the time. There is enough sadness in the world without us adding to it.

- If we are ever in a "don't laugh" situation...don't look over at me!
- Whatever you're doing today, do it with all the confidence of a 4-yr-old in a Batman T-shirt.

**Do you remember our "conversation" a few weeks back about my grandson and the Nativity Scene? Well, here's what he did.**

Yes, all are welcome at the manger.
