## National Chicken Dance Day

When was the last time you went to a wedding reception where they did **not** play the Chicken Dance? Our daughter told the D.J. he would not get paid if he played that song. Most folks enjoy the dance, even if they won't admit it. Face it, it's easy for even the most "non-dancing" family member to do well, and once a few beverages have been enjoyed, even grandma will join in. My question is, if there is not an accordion playing the song live, is it even legal?

- The word queue is ironic. It's just a 'q' with a bunch of silent letters waiting in a line.
