

GOLDEN AGERS

Celebrating Seniors, Enjoying Life & Laughter

VOLUME 9, ISSUE 35

AUGUST 29, 2025

September is Upon Us!

September is here and brings a smile to my face for two reasons: the first hint of cooler weather & college football.

If you're not from the South, you may not understand why, to us, the NFL is a non-event compared to college football. For us it's a family reunion that meets once a week for three months. It's a time to gather with family, friends, & former classmates to eat, drink, and talk smack about the opposing team.

My hubby had an uncle that we only saw on gamedays. He loved to tell tales of his days on the football team. His kids would join us as well. Family from several states were able to gather to celebrate. The stories shared on those days are the things of legend. But more than the stories, was the opportunity for cousins who live three states away were able to meet and play and bond. Priceless!

Luke 7:23 ~ "Blessed are those who are not offended by me."

-You know you're getting old when you have to use a buggy at the pharmacy.

-There are two reasons I don't usually fit in. I think for myself & I don't care what others think about me.

-I'm ready to stop complaining about summer & start complaining about winter.

-For those of you that are new to the south, wild corn dogs grow in the wetlands around the lake. Try them with mustard.

-If I could only use one word to describe myself, it would probably be: "not good at following directions".

-Me every day trying to figure out what I bumped into last. I call it "bruise clues".

-Shirley: if someone gave you \$1,000 because "you're ugly" would you take the money? Nick: Absolutely! I'm ugly, not stupid.

-If you're going to try to impress me with your vehicle, it had better be a food truck. Preferably the grilled cheese one.

-A.1. Sauce was created in 1862. So, in the middle of the Civil War someone was like "you know what this country needs? We need a delicious steak sauce."

-Just because I like to walk around in my underwear, eating Doritos, does not make me strange. You folks in aisle 4 just need to stop staring.

-The difference between me & Superman is he has super vision. I require supervision.
