

Don't like the weather? Give it a minute.

Yes, we had snow on Saturday and 61 degrees on Tuesday. What a difference a few days can make! February is when we usually get a tease of spring. Hubby used to work across from the state house and from his 5th floor window you could watch the families having picnics (we were one of them) and the co-eds (obviously from up north) sunbathing on the state house grounds. Yes, even in February. I guess when you're used to snow from October to April, a few days in the 70s-80s feels like summertime. Just one of the wonderful things about living in South Carolina.

Now on to important stuff!

Look who's starting to walk and get into trouble at 10 months.

In the February Proclaimer, Pastor Cassie suggested we all choose a "life verse".

I have chosen mine or it has chosen me...

Luke 7:23

"Blessed are those who are not offended by me." (ESV)

Love y'all!
