September Fun Facts

Back to school. Remember when school didn't start until after Labor Day. Good times. By Sept. 1st, our district will have been in for a MONTH! Ugh! But, at least they get A/C (which we didn't have). I discovered a few other fun facts you might find interesting.

-Famous September birthdays: Harry Connick, Jr., Lance Armstrong, H.G. Wells, and Keanu Reeves

-September is the only month with the same number of letters in its name as its numerical place on the calendar. (9)

-Only one U.S. President was born in September—William Taft.

-Only one President was assassinated in September—William McKinley.

Now for the really important stuff.
