'Twas the time before Advent and all
through the church,
not a volunteer stepped forward, not even old Lurch.
The calendar was filling, the weather turning cold,
all getting excited, the young & the old.
For years in the past someone always stepped forward,
to put forth a play with the church
sons & the daughters.
But this year was different, not even a hint
of someone excited to lead the event.
There are books of suggestions to give you a clue,
we just need a leader to act as the glue.
It's certainly fine if you're only
a rookie.
We'll get you some help & provide homemade cookies.
We need a short skit to get out the message
of God's greatest gift & our biggest blessing.
