## Parking Lot Information

Much needed repairs are beginning on our church parking lot. This will be done in sections and stages. First up, we must fill in all of the cracks. The back parking lot (behind the PLC & the sanctuary) is first on their list of spots.

This area will be closed off beginning Monday, June 23rd. The company will rope it off sometime that afternoon. Work will begin early Tuesday morning and will take 2-3 days for the stuff to harden depending on the outside temperature.

During this time, all activities scheduled for the Fellowship Hall will meet in the PLC and folks must park in the front parking lot. This will affect:

Monday—Matins Choir

Tuesday—Loving Group

Wednesday—Bible Study

If you have questions, you may call the church office to get an update on the progress of this project.
