## Happy Fathers' Day!

Wow! Didn't we just have Mothers' Day and now Fathers' Day is here already? It's interesting to see the things suggested for dads. For moms it's all candy & flowers and sweet stuff. For dads it's grills & tools & goofy t-shirts.

I have seen some really interesting shirt designs this year. Some are fairly tame:

- Super Dad
- World's Best Father
- Any man can be a father, but it takes someone special to be a dad.

But, you know me, the funny ones are much better in my humble opinion. Here are a few of my personal favorites.

- Thanks, Dad for always having the answers that Google doesn't have.
- I'm that cool dad you've been hearing about.
- Best Dad ever! Just ask me.
- Dad. Grandpa. Great-Grandpa. I just keep getting better.
- Another Father's Day gift for me paid for by me.
- Of course I tell Dad Jokes. I'm a **groan** man who love his kids.
- That's what I do. I fix stuff and I know things.
- It's not a Dad Bod, it's a Father Figure.

**Ok, now on to the important stuff!**
