PLANS FOR HOLY WEEK?

Rest assured that we are looking at multiple options for Holy Week and Easter. We want it to be *special* without putting anybody in harm's way. As soon as details are ironed out we will let you know. Thank you for your patience.

THANK YOU FOR YOUR OFFERINGS!

We are receiving offerings here at the church. HALLELUJAH!! Many folks are mailing them, some are dropping them off at the church during business hours and some have set up their online giving through the church office. However you choose, your gifts are very much appreciated! If you leave it on the breezeway, just be sure to lock the door as you leave. **Thank you!**

ENJOYING OUR VIDEOS?

Do you have a camera and/or skills in this area and would like to help with filming our services? We are looking for a couple of folks who may be interested in taking a turn behind the camera. No experience necessary. We have been practicing *Social Distancing* while filming and are quite good at it, so that would not be an issue. If you'd like to take a turn, or **have a video camera we can borrow**, please contact the church office. THANKS!

All Holy Week Services will be online.

WHAT ARE YOU DOING THIS WEEK?

Have you thought of some creative ways to entertain yourself (or your kids) during this extended quarantine? If so, please share as some of our folks are running short on ideas. Our oldest daughter has been home for three weeks now and has found some fun ways to entertain herself while home alone.

- She pulled out her old GameBoy and tried to beat her dad's high score on Tetris. (unsuccessfully, by the way)
- She created a new "Music for Driving" playlist for me.

Are you goofing off or are you one of those folks that is doing all of the stuff you usually don't have time to do? Share with us...the good, the bad, and the ugly. Sharing will keep us connected and might help brighten someone's day.

YouTube Update

What St. Peter's Folks are Doing to be the Hands and Feet of Jesus

Betty Lou Fulmer is calling five church members each day just to say "hello".

Church Council is in the process of personally calling all church members. They are working to contact each member by Easter.

Music Staff is meeting with the pastors (through Zoom) to discuss ways to add special music to our YouTube services while still keeping all of us safe.

Special thanks to these folks for seeing a need and meeting it!!

If your committee or Sunday School class is doing something, please share!

VIDEO CHATS

If you have an iPhone and would like to have a face-to-face chat with Pastor Cassie, please call her at 678-492-3956 and she will be more than happy to talk and pray with you.

Vanco has finished the setup & online Giving will be on our website before the end of this week. I'll send out an email to let you know when it's ready.
