SEPTEMBER 22, 2023

Interesting Days This Week

September 29th is “Attend Your Grandchild’s Birth” Day. Wow, I didn’t realize that was a thing. Hubby got to attend a grandchild’s birth in July of 2022 when our second grandchild made her entrance four weeks early. Son-in-law was working out of town & Kathryn asked if her dad would please come stay with them for the weekend because she just “felt funny”.

Well, fast forward a little over a year. Our son & his wife are now expecting. Son will be out of town on “Attend Your Grandchild’s Birth” Day and, once again, Papa will be hanging with a pregnant one “just in case”. Wouldn’t that be cool!

The fact that it is also a full moon should not worry you at all. Oh yeah, did I also mention that they’re having twins? 😊

Some folks scoff at the idea that a full moon has any bearing on babies at all, but ask any delivery room nurse & they will confirm that they usually have extra staff on hand during a full moon.

Don’t worry, it’s just an old wives tale. I’m sure there’s nothing to worry about.

Now onto important stuff!
