Things That Made Me Laugh This Week

I'm a bit of an introvert, especially when it's very hot, or very cold, or after a long week...well, basically any time. I read somewhere that if you will decline invitations in Medieval speak, it sounds much nicer. (If you can say them with a British accent, they're even better.) Try these:

- My heart is willing but my body says 'nay'.
- The winds of fate have deemed this journey unnecessary.
- I shall not heed your summons.
- I am otherwise occupied with things of great importance.
- The hour is late and my spirit is too tired.

Other giggles:

- A mummy covered in chocolate & nuts has been discovered in Egypt. Archaeologists believe it may be Pharaoh Roche.
- Me: I just had my physical today & the doctor says I'm a beast!
Wife: No, dear, he said you're obese.
- I went for a run today but came back after 2 minutes because I forgot something. I forgot I'm out of shape & can't run for more than 2 minutes.
- If I advertise old grapes, is that raisin awareness?
- In a span of 17 years, 114 people died in accidents while at the gym. In the same 17 years, only one man died while eating a donut. Life is about the choices you make.
- I hate it when TV shows say they contain "adult situations", but they don't show anyone going to work, paying their bills, or cleaning up after their kids.
- They say 40 is the new 30 and 50 is the new 40. all I know is the older I get, the more 9 pm is the new midnight.
- Fun fact: "Sugar" is the only word in the English language where "su-" makes a "SH" sound. At least, I'm pretty sure that's correct.
- I was the best man at my brother's wedding in Paris. At the reception, I raised my champagne glass & said, "eggs, cinnamon, bread and maple syrup." It was a French toast.
- Fact of the day: even if a bear is wearing shoes & socks he will still have bear feet.
- What kind of music do chiropractors like? Hip pop.
- Why is cold water so insecure? Because it's never called hot.
- Shouldn't the "roof" of your mouth actually be called ceiling?
- What did the drummer call his twin daughters? Anna One, Anna Two!
- Why are spiders so smart? They can find everything on the web.
- Sore throats are a pain in the neck.
- My son asked me to put his shoes on, but I don't think they'll fit me.
- What do you call an unpredictable camera? A loose Canon.
- How do cows shop? From cattle-logs.
