## Happy Paper Airplane Day!

On May 26th, we honor the simple toy that has been around for thousands of years—the paper airplane! It is a great excuse to play! Inexpensive form of joy! Put down your smart phone & go have some primitive fun! Did you know?

- Paper airplanes originated 2,000 years ago in China.
- Earliest date of modern paper planes was 1909.
- Largest paper plane had a wingspan of 59.74 ft. Students & employees in Germany created it in 2013.
- Longest distance flown was in 2012. The plane was 10" & flew 226 feet.
