August 14-16

Entire Campus

Claude and the Property Committee have been diligently working on our campus parking for several months.

Between dodging this spring's rainy weather and our normal summer thunderstorms, it has taken longer than expected. Patching of cracks & holes is complete and it's time to redo the blacktop and repaint the lines for the parking spaces.

*The campus will be blocked off beginning Wednesday just before sundown and will remain off limits to **any and all** traffic until Saturday evening. (There is a slight possibility of them being done by Saturday afternoon, but since we are slaves to the weather, we won't know until then.)*

Since blocking the mailbox is the only parking option (and we like our mailman, so we don't want to inconvenience him), the office will be closed Thursday & Friday.

If you have questions, please call the office.
