

# GOLDEN AGERS

Celebrating Seniors, Enjoying Life & Laughter

VOLUME 10, ISSUE 27

JULY 3, 2026

## It's Just **TOO HOT!**

This is the time of year when I thank God *every day* for an indoor job. I'm not outside a lot. I have a brown thumb, so Hubby takes care of the outside while I take care of the inside. When I'm talking to folks across the country, they often comment on how friendly we are in the South. I tell them that our summers are 100 degrees with 100% humidity, so we know what hell would be like, and we want no part of it. I hope you're staying inside where it's cool and if you *do* have to be outside—stay hydrated!

## Things That Made Me Laugh This Week

- She believed she could, but it was 98 degrees & humid outside. So she didn't.
- I'm always a delight to work with...as long as I'm well-rested, properly caffeinated, well fed, not too hot and not being inconvenienced by other people.

## Excerpts from Gen. Washington's First Order to the Continental Army

*The Commander in Chief directs that Divine Services be performed every Sunday at 11 o'clock in those brigades to which there are chaplains. Those which have none are to attend the places of worship nearest to them.*

*It is expected that officers of all ranks will, by their attendance, set an example to their men. While we are zealously performing the duties of good citizens and soldiers we certainly ought not to be inattentive to the higher duties of religion. To the distinguished character of patriot, it should be our highest glory to add the more distinguished character of Christian.*

*We cannot afford to curse. We cannot afford to get drunk. Anything that might offend God, we cannot afford to do because we must have God's help or we are not going to succeed.*
