## SANCTUARY LEAK

The recent rains have exposed a leak in the roof of our sanctuary (at the base of the steeple) that is going to require attention. If you would like to contribute to this cause, you may do so by writing "LEAK" or maintenance on your check or on your envelope. THANK YOU!

## A/C COMPRESSOR

If you were in the PLC Sunday evening for VBS, you were warm. Turns out the 2nd compressor on the unit we repaired *last* summer is entering it's final days. We have a band-aid on it, but we need to start raising funds for that repair. Last year's total was \$11,000. Ugh! Mark donations maintenance or A/C. THANK YOU!

## Service Committee Project

Don't forget to check out the [July Proclaimer](#) for a list of foods needed by Mission Lexington. This is the focus for July & August by the Service Committee. Thanks for being the hands & feet of Jesus in our community.
