Chicken Fried Steak Day—yum!

Have you ever been to Loveless Café in Nashville? If not, you should! They have fabulous food, a great atmosphere, and some of the best wait staff in the state! Hubby & I ate there recently. Not only did we have a fantastic breakfast, but we were offered coffees to go, and given a list of cool places to explore nearby. For the record, I had the Country Fried Steak w/white gravy & the best cheese grits ever! Hubby had the pulled pork omelet that was also incredible!

Also, while you're in Nashville, be sure to check out the Nashville Symphony. Son & I went to hear them perform the music of John Williams. It was, by far, are one of the best concerts ever!

Things That Made Me Laugh This Week

- Sign at the town limits: Drive carefully. We have two cemeteries and no hospital.
- I don't think I meet the height requirement to ride your emotional roller-coaster.
- Nobody gets me like you get me. There might be something wrong with you.
- Sign on shop door: "Sorry, we are closed due to short staff."
  Note added: "hire taller staff 'cause I need a taco!"
- On a sheet cake: "Mom, sorry about your other children. At least you have me."
- You know you're in trouble when the little voices in your head start a group chat.
- Sign on a pole: "Illegally parked cars will be fine."
- I don't like the fact that my chances of survival seem to be linked to the common sense of others.
- Accordion to a recent study, 7 out of 10 people don't notice when a word in a sentence is replaced by a musical instrument.
- Dear Optimist, Pessimist, & Realist: While you guys were busy arguing about the glass of water, I drank it. Sincerely, the Opportunist
- I'm sorry I slapped you but you didn't seem like you would ever stop talking and I panicked.
- When you get angry, take a breath & count to 10. throw a punch at 8. Nobody expects that.
- Of course I have a lot of pent-up rage. I've been the same height since I was 12 years old.
- Before you try to hurt my feelings, take into consideration that I don't have any and you probably do.
- Scientific Fact: people who have more birthdays, live longer.
- People keep mistaking my "WOW"s for compliments.
- Unlike the brain, the stomach alerts you when it's empty.
- Be the elephant you wish to see in the room.
- When I say I feel like Barbie, I mean my hip is making a clicking sound.
- How weird is being 38 but feeling 28 until you actually meet someone who is 28 and then you feel 48.

SAYINGS TO USE WHEN MEETINGS GET OFF TRACK

- We need to flip this pancake.
- Let's get this back inside the tent.
- I think we're polishing the wrong window.
- We need some wheels under this.
- Is this the hog we want to show at the fair?
- Let's put that in the idea freezer.
- We need to batter this corn dog.
- I think we're trying to install an elevator in a single story house.
- This is a crock pot idea on a microwave schedule.
- We're looking for double chocolate chip, don't bring me oatmeal raisin.
