## What's A Mensch?

This is "Love A Mensch Week". So, what's a mensch? The term comes from the Yiddish & refers to a person of integrity, kindness, & honor. Well that sounds good. The phrase also implies someone who is considerate & kind. It is one of the highest compliments that can be given but a mensch is usually too modest to be complimented. Restrained & humble, a mensch is always aware of the sentiments & thoughts of other people. Hmm...the more you know.

### Things to Ponder & Giggles

- If the No. 2 pencil is so great, why is it still No. 2?
- Why do we drive on parkways and park on driveways?
- Why are you "in" a movie, but "on" TV?
- Why are there no "B" batteries?
- Why do people say "heads up" when you should actually duck?
- Why do "fat chance" and "slim chance" mean the same?
- Why do we press harder on a remote control when we know the batteries are getting weak?
- Just once I would like to read a medication label that reads: "may cause permanent weight loss, remove wrinkles, & increase energy."
- In middle school I asked my math teacher if I would ever actually use algebra in real life. She said, "you won't, but one of the smart kids might."
- Fourteen muscles are activated when you pour a cup of coffee. Fitness is my passion.
- "The difference between genius & stupidity is that genius has its limits." ~ Albert Einstein
