Carol 😊

Is that a double chin? Yep, she's **my** grand-daughter. 😊

- ☺ *"The difference between stupidity and genius is that genius has its limits."* ~ Albert Einstein
- ☺ I never called you stupid, but when I asked you how to spell Mississippi and you asked if I was talking about the river or the state, it just kind of caught me off guard.
- ☺ In this heat, check on your friends who have naturally curly hair. We are not ok. We are out here looking like alpacas.
- ☺ I'm not so sure about an inner child, but I have an inner idiot that surfaces every now & then.
- ☺ I meant to behave, but there were too many other options.
- ☺ Lick the frosting off of a cupcake and it becomes a muffin & muffins are healthy. You're welcome.
- ☺ Once in a while you meet a person that makes you smile when you think about them. They're trouble! Stay away from them.
- ☺ If showing up in a robe and a tiara with a box of wine is wrong, then maybe I don't fully understand how Casual Friday actually works.
- ☺ The biggest lie I tell myself is "I don't need to write that down, I'll remember it."
- ☺ Pastor Comment: "Recently I've had complaints that my sermons are too intellectual. The following adults are invited to come up for the children's message..."
