CELEBRATING SENIORS MAKING THE BEST OF THE REST OF THEIR LIVES

VOLUME 7, ISSUE 5

## A New Month With New Adventures

February. One of my favorite months. We always have at least a few days of spring-like weather—days that remind us why we love living in South Carolina. Sometimes we also get snow. Just the 24-hour kind which is my favorite. Just a taste without the long-term hassles and mud. We have a lot of reasons to love South Carolina.

We have some new folks in our area who are discovering the joys of living in the south. Some of them have found St. Peter's as well and are fast becoming members of our "family". Come join us this month for one of our gatherings (Soup Supper or Pancake Supper) and meet the new folks. Call me for a ride.

## Everything I Need to Know About Life, I Learned From Noah's Ark

- *Don't miss the boat.*
- *Remember we are all in the same boat.*
- *Plan ahead, it wasn't raining when Noah built the Ark.*
- *Stay fit. When you're 600 years old, someone may ask you to do something really big.*
- *Don't listen to critics; just get on with the job that needs to be done.*
- *Build your future on high ground.*
- *For safety's sake, travel in pairs.*
- *Speed isn't always an advantage. The snails were on board with the cheetahs.*
- *When you're stressed, float a while.*
- *Remember, the Ark was built by amateurs; the Titanic was built by professionals.*
- *No matter the storm, when you are with God, there's always a rainbow waiting.*

Have a great week & call me if you need anything!
